

# HAMPTON FIRE/RESCUE

*A Tradition of Service, Courage and Pride*

## APPLICATION SUPPRESSION SYSTEM FOR COMMERCIAL COOKING HOODS

(Permit fee \$25.00 payable to "Town of Hampton")

Permit will be issued upon documentation that the system conforms to NFPA 1, NFPA 17, or NFPA 17A editions as approved and as outlined by the system manufacturer. **For a pre-engineered system, an installation manual for the exact make and model system must be submitted with this application for a permit.** We have some installation manuals on file. Please call in advance to determine if we have the right edition.

Application is to:       Install       Extend       Modify       Remove

Type of system:                       Wet Chemical                       Dry Chemical

System is:                               Pre-Engineered                       Engineered

For pre-engineered systems, list page and illustration numbers from manufacturer's booklet.

---

Drawing showing piping, nozzles, hood, duct, bottle location, remote pull station and cooking appliances.

Witnessed acceptance test will be required before system is placed into service. Please specify type of test that you intend to perform.

**No work shall begin until a permit has been issued. All inspection requests require a minimum notice of 48 hours.**
